Act 4 and Act 5, Scenes 1 and 2 - Honors

1. What did Juliet say to Friar Laurence that most likely inspired his plan? ________________________________
__________________________________________________________________________________________________________________

2. Describe all the parts of Friar Laurence’s plan. _______________________________________________________
__________________________________________________________________________________________________________________

3. What is one of the doubts Juliet has before she drinks the potion. ________________________________
__________________________________________________________________________________________________________________

4. Who is the first person to discover Juliet’s “death”? ______________________________________________________
__________________________________________________________________________________________________________________

Explicate the following quotes:

1.) “There is thy gold, worse poison to men’s souls, doing more murder in this loathsome world than these poor compounds thou mayst not sell.”
   Speaker: ______________________ Context: ______________________________
__________________________________________________________________________________________________________________
   Significance (Possible theme connections): _________________________________________________________________
__________________________________________________________________________________________________________________

2.) “I could not send it – here it is again”
   Speaker: ______________________ Context: ______________________________
__________________________________________________________________________________________________________________
   Significance (Possible theme connections): _________________________________________________________________
__________________________________________________________________________________________________________________

3.) “I dreamt my lady came and found me dead
   (Strange dream that gives a dead man leave to think!)
   and breathed such life with kisses in my lips
   That I revived and was an emperor”
   Speaker: ______________________ Context: ______________________________

   Significance (Possible theme connections): _________________________________________________________________
__________________________________________________________________________________________________________________
1. When Juliet speaks to Paris, she avoids making direct statements about loving him and instead
   A. runs out of the room.   B. uses wordplay to avoid lying.   C. pretends not to hear him.

2. Which of the following seems most likely to have inspired the particular plan that Friar Lawrence proposes to Juliet?
   A. Paris saying that what “may be must be”  B. A message from Romeo
   C. Juliet’s threat to kill herself

3. The point of Friar Lawrence’s plan is to
   A. make Lord Capulet change his mind   B. help Juliet kill herself
   C. fake Juliet’s death

4. Juliet asks her parents’ forgiveness and agrees to marry Paris because
   A. it is a part of the Friar’s plan.   B. she is truly repentant.   C. she can’t bear their anger.

5. Before she drinks the potion, Juliet has all of the following fears EXCEPT that
   A. it will actually kill her   B. Romeo will not come for her
   C. it will not work at all   D. she will wake up early and go mad

6. Who first discovers Juliet’s “death”?
   A. the Nurse   B. Paris   C. Lord Capulet   D. Romeo

7. What does Romeo purchase from the apothecary in Mantua?
   A. a dagger   B. a sleeping potion   C. poison   D. horses for the ride back to Verona

8. Friar John speaks to Friar Laurence and informs him that
   A. Romeo is on his way back.   B. Juliet is dead.
   C. he could not deliver a letter to Romeo.   D. he knows about Friar Laurence’s plan.

Identify the speaker and context (to whom is he/she speaking and what is the situation before and after) of the following lines:

“I dreamt that my lady came and found me dead, and filled me with life with kisses and I revived and was an emperor.”
